## President's Message

### Hints from Heloise the Quilter

#### Dear Dorothy

One of my quilt blocks is not exactly square. Is there a way to stretch it to even up the sides and make it the 12 1/2 inches is should be?

#### Dear Wop-sided

If you quilt block is on a fraction of an inch off, you can try a technique called "blocking" to gently coax the block into a perfect square. Cut a piece of freezer paper the exact size of your unfinished square, which in this case is 12 1/2 inches. Press the waxy side down on your ironing board. Place your quilt block on top of the freezer paper, aligning the edges and corners. Pin in place. Next, use your steam iron or fabric sizing to moisten the fabric and press. Allow to air dry and the result should be an even square.

To prevent uneven blocks, be sure to use accurate seam allowances and avoid stretching the fabric when pressing your block pieces during the construction of the block.

## **Workshops**

**October 10, 11, 12, 2013** Mark your calendar now!!

Please see Kris to get on the list. This teacher is well known and I expect to fill both workshops early.

Friday's workshop is almost full.

Books will be required for each day. Jane is OK with 2 people sharing a book. Visit the website...

<http://www.frenchbraidquilts.com/workshops/> for supply lists.

**Treat yourself to a workshop! They are a great mini-retreat and a wonderful way to expand your quilting skills!**

## **Volunteer Opportunity**

### **Two Opportunities open**

#### **Hospitality Committee**

I would like to take a different approach for this role and that is to make it truly a committee. I'm looking for at least 6 people to volunteer to be on this committee. Each month the opening and closing duties would be the responsibility of 2 different people. With 6 folks that would mean that one person would only have this duty once every 3 months.

The other options is to forgo snacks altogether. Having food at every meeting is not a requirement and we could just have ad hoc committees to handle special events like the Christmas meeting.

Please let me, Michele Hackmeyer, know if you would be willing to work on a committee. I will not hold anyone to the commitment unless I get at least 6.

## **September-Cats & Quilts**

Cats love their quilts and quilters love their cats. We often see this animal from the domestic to the wild featured in quilts. The cat lovers among us will surely amuse and amaze with their cat "tales" and our special "cat walk" show & tell.

- Did your cat once ruin a quilt?
- Does your cat have its own personal quilt?
- Got a cute cat block?
- Do you have a quilt made with feline fabric? Kitty cats, tigers, lions, leopards, etc

Come ready to share a funny story about your cat and a quilt or strut your stuff on the cat walk with your favorite cat quilt, block, bag or garment. You may even wish to wrap yourself in your favorite feline fabric that you have not yet been able to cut. Don't forget about our less fortunate kitties that have a better chance at adoption with a cute quilt in their cage. Bring your kitty quilts for donation (Please see the specifications on the website). It is a theme night so check out the animal quilt books on the library table and sample the cat whiskers, fur balls and catnip dip in the kitchen.

**October 10, 11, 12 2013 Jane Hardy Miller: French Braid Quilts**

## **November-Quilting in the Kitchen**

It's a theme night so Hospitality will feature some selected recipes from the Guild Cookbook. Never got one? Sign up for a special drawing to win your very own copy. As you enjoy the treats, listen to the ways our kitchens merge with our quilts. We will have a demonstration on how to make a quilted casserole cover. Bring your quilted kitchen items to share: placemats, table runners, appliance covers, casserole covers, etc. Participate in the potholder exchange. Bring your new homemade potholder and sign up for the potholder exchange.

# Sit-N-Stitch Groups

A "Sit-n-Stitch" is a group of members who meet weekly, biweekly or sometimes once a month. Some groups meet in a member's home on a rotating basis and work on their own individual project. Some groups meet at a specified location and work on a service project. We have several of both of these types of groups in our guild. **If you are interested, please call Marsha Walper.**

## **Small/Medium/Long-arm Machine Quilter's group**

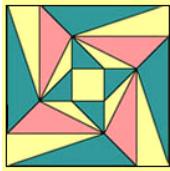

This group is geared towards:

- “Small-arm quilters” - domestic sewing machines on a frame.
- “Mid-arm quilters” - those in the 14” – 16” range, a more industrial machine; for this group, this applies more to the ones on a frame, but can also apply to the growing crop of sit-down mid-arms. And “Long-arm quilters” - the big ones that we more characteristically think of, in the 18” to 30” in range, and which sit on a frame.

The group is open to both (1) machine and/or frame owners; and (2) those who are interested in acquiring the machine/frames.

The date, time, and location for the next meeting is scheduled for Wednesday September 25th, from 7:00 - 8:30pm, at Susan Dickerson's home (see directory for address). Meetings typically will be at a member's house so we can see their set-up. As such meeting dates and times will be subject to the hostess' schedule. There also may be road-trips to view equipment, perhaps take classes, have speakers, or as the group sees fit. E-mail reminders of the date/time/location will be sent out in

advance. Questions? Contact Karen Skinner (see Directory for her contact information)
