Report from the 2016 City Hall Quilt Show

Co-Chairs: Elizabeth Hawker and Jennifer Colley

Show Theme: "Home and Heart"

Show Dates: April 26 – June 21, 2016

COCA, Exhibitions Director: Amanda Thompson

Suggestions for next Quilt Show

1. Chairperson/persons need to have a good working knowledge of Microsoft Word, Excel Spread Sheet, and email since these are the tools that COCA uses to accept information.
2. Some form of confirmation is needed verifying online applications have been received successfully.
3. Participants should provide dowel rod, eye hooks and attach fishing line for hanging entries.
4. Quilt label need to be visible when quilt is rolled.
5. It needs to be made clear that a front temporary label should be attached to the piece; this allows exhibition director to match the printed wall labels to the appropriate piece of artwork.
6. Although pillowcases are successfully used for the Museum Quilt Show they did not work necessarily well since the rolled pieces were usually longer than the standard pillowcase. Not quite sure of a solution. Some members submitting full size quilt entries obtained plastic drapery sleeves from commercial store.
7. Not certain advertising is necessary since COCA seems to take care of advertising.
8. Still questions concerning deliver and pickup (liability/responsibility)???
