

## Scenario 4 So-so case #2

### Meeting Room Rental at Public Venue

Assumptions: 600/month; probably need advance reservations for several month to reserve date&time; prices may change/increase

Query: what if we needed to pay for 6-months to lock-in?

(\$3,600)

### Low-Opportunity Quilt Income

Assumptions: uses 2013 profit of \$844 to give a low for a **normal** show

Query: ~~what if show length cut in half, at income rate for above~~

\$844

### Low Silent Auction Income

Assumptions: uses 2014 profit of \$2249 to give a low for a **normal** yearshow

Query: ~~what if show length cut in half (or contributions were low), at income rate for above~~

\$2,249

### Fee Reduction for workshop classes, increasing attendance, but still not covering all expense

Fact: actual income for past four workshops only brought in 47% of class costs

Query: what if income 60% of expense (Goldsmith class cost \$2345)

(\$938)

### Membership Drops, but only 10%

Assumptions: uses 2013-2014 averaged data of \$3275 profit

Query: normal attrition due to moving out of town, illness, etc

\$2,948

### Other Expenses

Assume stays same as for Averaged Year

(\$4,766)

	Sc-4 "So-so"	For Reference>>	Averaged 2013-2014
Membership	\$2,948		\$3,274.69
Opportunity Quilt	\$844		\$1,297.36
Silent Auction	\$2,249		\$2,473.33
Workshop Classes	(\$938)		(\$1,547.47)
Rent	(\$3,600)		(\$2,062.50)
Other	(\$4,766)		(\$4,766.18)
<b>TOTAL</b>	<b>(\$3,264)</b>		<b>(\$1,330.78)</b>

Checking Acct Minimum (on 9/26/14) was \$4,085

Savings (on 12/31/14) was \$9,140

**Total Cash** \$13,225

Biggest check Guild has written

\$2,932

If Sc-1 occurred, our **total** cash would be \$9,962

Total minus biggest check

\$7,030
