

# Quilters Unlimited January 2016 Block of the Month:

## Nine Patch

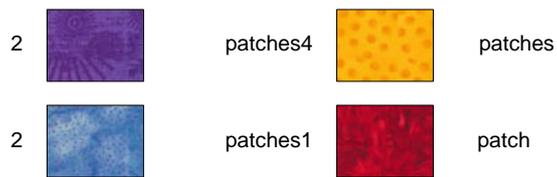

Key Block (8/50 actual size)

Cutting Diagrams

Patch Count

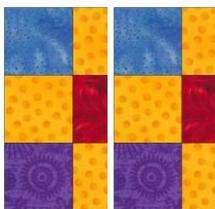

Instructions for "Nine Patch" as 15.000 by 15.000 (inches) block, printed from EQ7!

That was easy.

Now what if...

1. I cut it in half vertically and rotated one side? Be sure to add 1/2 inch to the top/middle/bottom center pieces to offset the extra seams.

2. I cut it horizontally and vertically? Be sure to add 1/2 inch to all inside pieces to offset the

extra seams.
