

Quilter's Treasure Committee Proposal

The Quilter's Treasure is a moneymaking project for Quilters Unlimited.

Consist of a Chairperson, Co-chairperson, and as many members as they determine are necessary to create the four Quilter's Treasures for the year, sell tickets at each meeting, and make deposits.

There will be four Quilter's Treasures per year and each will be available at guild meetings for a three-month period. A basket or decorative container, attractively wrapped in clear cellophane, will hold the quilting related items. At the guild meeting, a list of items in the Quilter's Treasure will generate interest in ticket sales.

Tickets for each Quilter's Treasure will be sold for a three-month period and a drawing for the winner will be held at the beginning of the guild meeting in the third month (March, June, September, December). Winners do not need to be present on the night of the drawing.

For a chance to win the Quilter's Treasure, members and visitors can donate for \$1 for individual tickets or \$5 for sets of ten tickets.

Tickets can be printed from a computer file with 12 tickets per page.

Cash and checks from ticket sales will be deposited in a timely manner after each guild meeting.

The committee will record income and expenses for each month.

Of the money collected during the previous year, 25% may be used to purchase items to round out donations and the rest will remain in the guild treasury. Receipts will be kept for items purchased.

The success of the Quilter's Treasure will be determined by the interest in buying tickets and the net income for the year.

Current status: During its initial year (2016), the committee did not purchase any items and the income from the first seven months was \$808.00, and average of \$115.00 per month. The remaining Quilter's Treasure (October) is complete and no expenses are anticipated.
