Classified Ads -- Instructions

Only **Guild Members** can list items for sale or free-to-a-good-home.

- Email your ad/notices (for now) to the Newsletter Editor (Karen Skinner) at newsletter@quilttallahassee.com. Briefly describe the item and asking price. If desired, attach one small picture in JPEG format -- it may or may not be included in the listing, depending on whether there are technical difficulties with "capturing and inserting". If possible, limit the file size of the jpegs to 500 kb or so. Include your name (and city if the item is bulky/large, and there may be special considerations for pick-up), but not an address.

Your item will be posted for only one month per email submission. If you need to list it again, send another email to the Newsletter Editor.

The **deadline** for submissions for the next issue is:

April 2nd, 2017

ALL NEGOTIATIONS AND PROBLEMS WITH A SALE ARE BETWEEN THE BUYER AND SELLER.

Large clear storage bin with white lid.
Measurements shown on label. \$6
(Was going to store fabric and books. It did not fit into the space intended. LOL. Measure twice applies here too.)

Viking 936 Serger - only used for 2-3 classes, has cover stitch kit, table, accessory items, 1 clear plus 2 lace feet, owners handbook, wheeled case (FREE). Also unused & still boxed 3D Embroidery Studio, 3D Organizer, and Reader/Writer, for use with other Viking sewing machines. Ridiculous low prices, please discuss with **Roselind Woods**. (contact numbers are current in 2017 directory)

I am selling my Sharon Schambler 17" Prodigy Longarm Machine. I bought this machine from Maureen O'Doogan in September 2012. It has a 12' table, special features such as a creeper foot that let's you put down the needle in an exact position. Several bobbin cases, feet, and tools included. I am asking \$7,000. The reason I am selling is to get a larger machine. Call me at 850-443-2546 if you are interested.

New Joy Gold Standard Machine Quilting Frame. Asking \$450
Sit down in front of a frame! Easy on the back! Has parts for the crib size setup (5 foot), full size (10 foot), and an extension for the crib-size to make a mid-size frame of 7-1/2 foot. This frame works well in narrow spaces, as is only 36" deep, with a pantograph shelf above the frame. Works with most domestic sewing machines with a throat space of 8" or more, but sewing machine not included. Carriage of frame has speed controller controls {does not come with a stitch regulator!}. The wiring for these controls is for a Janome 1600 sewing machine.
