President's Message

Happy Fall or what is supposed to be fall! I would like to have fall weather at this point as summer seems to have dragged on and the heat just keeps coming. The fall brings nasty weather in the form of hurricanes and scary times. Be prepared! Be sure you have enough thread to match whatever project that you will be working on. Of course, I mean to have water and other essentials on hand as well. To me, fabric and batting are necessities to have on hand even when we do not have electricity. Hand work always seems to be the relaxing point for me whether it is suffering out a storm, camping or while my husband is driving along the roadway. I am not saying he is a bad driver, just I cannot always be looking at the traffic while I am not in the driver's seat.

I have been able to stay inside and get some quilting finished. The holidays are coming quickly and I will be traveling and when I return it will be too little time to complete all the stuff that will need to be done. There always seems to be much more to get done then than any other time of the year. A few things for our guild projects such as the lap quilts for veterans and coasters for patients in long term care!

Last month I stated that many people had a great time at LeMoyne Arts whether it was looking at the quilts that were submitted, Quilto, volunteering, or being the lucky winner of the Opportunity Quilt. LeMoyne was very happy to have us and our fabric arts. Be sure to visit during their Holiday Show and remind them that you visited during our quilt show.

The Prismatic Star class was a fun day for those who attended (not many). This will bring about some changes in the way we will be doing classes/workshops in the future. We do want to learn new and fun ways to quilt along with being easier than the way taught by our grandmothers, without having to dip into funds of the guild. I am always looking for new techniques to make my craft a lot more fun.

Be sure to note: OUR SEPTEMBER MEETING WILL BE AT TIMBERLANE CHURCH OF CHRIST
Keep the bobbin filled and stay stitching, Peggy Clark, President

Important: September Meeting Change of Location

We are unable to meet at Temple Israel in September. Instead, our September 14 meeting will be at the Timberlane Church of Christ, 3569 Timberlane School Road. This is a one-time change of location; subsequent meetings will be at the Temple.

The Lucky Winner of the Opportunity Quilt!

Pat Keen won the 2023 Opportunity Quilt, Jazzy Garden. Pat was so excited to win the quilt, she couldn't wait to get it home.

Thank you again for all your hard work!

QU Library

There will be no library at the September meeting. Please hold returns until October. Requests for books can be submitted by email and will be brought to the October meeting.

Michele Hackmeyer, QU Librarian

Upcoming Programs

F. Scott Fitzgerald assures us that "Life starts all over again when it gets crisp in the fall," and I hope we don't have to wait too long for some of that crispness! Even if the weather lags behind, the calendar is telling us it's time to start new projects. I hope our fall programs inspire you to try something different. The October and November programs have been switched to accommodate travel plans.

September: Debbie Sutherland from Bernina will talk to us about color—how she makes decisions about what fabrics to carry in her shop, how she advises customers who ask for help in choosing colors, and how color trends evolve in the quilt fabric industry. Even the most experienced quilters can learn new ways to think about their color choices and might be tempted to venture outside their safe zones! Please note that the September meeting will be at Timberlane Church of Christ on Timberlane School Road.

October: Pincushions! All about those tiny but necessary tools—just about the only ones you can make yourself. There will be examples of pincushions and a charming but simple pattern, and a discussion of what makes a good pincushion. Members are encouraged to bring pincushions they have made and to share their thoughts on what they love, or don't, about them.

November: Modern quilting—some of us love it and others not so much, but it has become a major segment of the quilting world. Sue Isaac is presenting a program on modern quilting, including examples of modern quilts made by local quilters, and will explain what makes a quilt modern.

December: Annual holiday party!

Come to the Show!

Friendship Star Quilters' Challenge Quilts have been hung at the Quilt Peddler for your viewing and voting pleasure!

Stop by the Quilt Peddler and cast your vote! Quilt Peddler is located at 2915 Kerry Forest Pkwy, Suite 605, Tallahassee, and the quilts will be on display from August 26 through September 29. Open 10 to 6 Monday–Friday and Saturday 10 to 4.

Please join us for our Wine and Cheese Reception on Saturday, September 16, 2023, 4 to 6 pm. Bring family and friends to admire the creative efforts of our members and to vote for their favorite quilt.

The 2023 Block of the Month...It's as Easy as BOM-2-3

First, I want to thank everyone that has made blocks so far this year. We will be able to make quite a few quilts from our 2023 Block of the Month blocks.

We will not have the block of the month display/collection at the September meeting.

Please bring your September Disappearing blocks to the October meeting for a chance to win a prize.

For October, we will conquer the daunting Inset and Y Seams. Blocks using inset or y seams create patterns with pieces that do not have the seams end at the same point, or the seams do not intersect at 90-degree angles. While sewing these seams requires more steps, block construction is not outside of a beginner's skill set. The patterns with more details are on the guild website at the link contained in the next section. If you prefer to make blocks for charity, please use red, white, and blue fabrics.

If you have any questions, ask me at the guild meeting or call/email.

Happy Piecing!!

Kerry Cohen

Quilts of Valor

Lt. General Robert Milligan served 39 years with the U.S. Marine Corps. Twice stationed in Vietnam, he welcomed the opportunity to use his leadership abilities. Like many other veterans, he would willingly serve his country again. He is shown in his home in Tallahassee on July 31, 2023. His quilt was made by Frayed Edges and quilted by Sharon P.

On July 30, 2023, Edward Sheffield was awarded a Quilt of Valor at the VA Hospital in Lake City Florida. Edward was a Staff Sergeant in the U.S. Army. Captured while serving in Korea, he was a Prisoner of War for over three years and was held in both Korea and China. He is shown with his wife, Jamie, and Roberta. His quilt was made by Frayed Edges and quilted by Julie F.

Philanthropy Notes!

It might seem strange given the hot weather but for those of you looking ahead to Christmas projects I will bring Christmas-themed fabric donations to the next QU meeting. I will also bring some pillowcase kits and some quilt sandwiches.

Thanks to all for last month's quilts: 20 for Sleep in Heavenly Peace and 6 for Big Bend Hospice.

Joy, Ann Gaber, Philanthropy Chair
